Delegate's Corner

Greetings,

I am writing this on the night before I leave for the 7th General Service Conference of Alcoholics Anonymous, my 2nd as your delegate. I am not sure I have the words to describe the difference in emotions and anticipation that I had a year ago – other than to say it is a vastly different experience. It isn't good or bad, just different.

I am looking forward to seeing the friends I made last year and meeting new friends this year as we do the work of AA. I am having dinner with our current class A trustee treasurer – he will do done at end of this conference. I look forward to learning more about his experience and reasoning for stepping down. The week of the conference is of course committee meetings, discussion, and votes and decision making for the good of all of AA. That receives much of the focus but for me, I think the real work is reporting back to our fellowship the status of our office and board. Meeting with and building relationships with those at the very bottom of our triangle.

Upon my return I hit the ground running with a speaking commitment and our annual conference in Sturgeon Bay – which I am so looking forward to.

The Delegate's Report back is a bit different this year with it not being at an assembly so I hope you can join me Sunday morning of the conference or invite me to your group or district. Thank you again for the privilege of serving as your area delegate.

FROM THE AREA 74 AREA CHAIR/ALTERNATE DELEGATE

Happy spring to all my fellow members of our great fellowship!

In this newsletter I would like to share a letter that I put in our District 01 newsletter back in April 2020 as covid was really hitting home for all of us. Dean and Kimberly at the time were our newsletter and website district chairs

This is my letter I would like to put in the newsletter

To my fellow Brothers and sisters of our AA Fellowship of the greater Green Bay area. In my short time as your DCM for District 1, the power of the AA. program and our traditions, unity, service and recovery cannot be denied. We are privileged to be in this Fellowship at this time and place in history. We can only imagine what Bill W and Doctor Bob would have thought of a zoom meeting. To see countless members step up to continue to serve through this storm in our lives.

Our test, face our fears, accept changes, continue to carry the message one day at a time. Together we walk through changes to our daily routines and still think of others. We ask ourselves, “Where are the faces I usually see at meetings?”

With the help of our collective Higher Powers, I ask, “How can I help?”
We will come out on the other side of this storm stronger and more engaged with each other than ever before. Things as a district we are doing to stay connected and to reach out to the still suffering alcoholic.

1. Set up multiple daily online zoom meetings.
2. Put together an ad campaign to reach out to those who still suffer.
3. Continue to update and revise our website.
4. Establish an e-mail address to share information on those missing faces, so we can reach out to them.
5. Staying engaged and involved with other districts and Area 74.

Thank you, yours in service, Bill D, DCM District 01.

I cannot believe how far we as a fellowship we have changed since covid. I would like to think Bill W. and Doctor Bob would be proud of us. Have we had struggles HELL YES and will continue to have them, but for this grateful alcoholic it has been steady growth that comes with the challenges in my life both in recovery and living life on life’s terms. May you all have a Blessed day.

Bill D. Area74 Alternate Delegate /Chair.

****NOTE FROM THE DELEGATE:** The servants of Area 74 are excited to provide the **dates for the Area 74 Service Structure**. We are lucky to live in an area that hosts many conferences, workshops and fellowship events. As your trusted servants, we sometimes miss the chance to participate in local events because they conflict with the service events you have entrusted us to conduct. We hope that, by providing the Area 74 service structure dates in early fall; they can be considered as you plan your service and fellowship events for the coming year. We look forward to seeing you.

NOTE FROM CO-EDITORS: We have combined the general events and the Area 74 Service Structure events into one calendar.

Ask The Delegate:

During my term as Delegate, I will share with you, the Fellowship of Area 74, questions that I get asked each month and my reply. I believe that if one person, group, committee has that question, others will as well.

Have a question?

Approval of assembly minutes from 10/12/2024:

- **Motion (seconded):** Approve 12/07/2024 ACM minutes. **Vote: passed unanimously.**

Reports:

- Appendix A – area officers and committee chairs
- Appendix B – treasurer

Old Business:

- Corrections Wisconsin vacancy:
 - **Nomination (seconded):** Kerry H. **Vote:** 54 yes, 1 no. Passed by substantial unanimity.
 - No other nominations.
- **District 13 Motion (see Appendix C for full motion)**
 - Discussion: The discussion revealed mixed opinions about the motion. Some groups supported it in principle but suggested setting an annual budget cap. One group unanimously supported it for this year only, while others opposed it, believing past delegates should fund themselves if they choose to attend. DCM feedback also varied—some supported funding all or at least the most recent past delegate, valuing their continued service. Others felt support should depend on delegates' willingness to contribute. Several districts backed the motion to help ensure delegates are well-prepared for the conference. A past delegate clarified that they only have a voice and vote during Sunday business meetings at the event, with no official role otherwise.
 - **Vote:** 46 yes, 12 no. Vote passes by substantial unanimity.
 - **Minority opinion:**
 - The discussion focused on prioritizing financial support for the current delegate over past delegates. Concerns were raised about the motion's ambiguity, especially regarding retroactive payments, and a suggestion was made to set a specific budget for such expenses. Overall, there was a preference for limiting funding to current delegates.
 - **Motion to reconsider (seconded):** 35 yes, 25 no. Motion passes by simple majority.
 - Discussion: The discussion highlighted differing views on the value of funding past delegates to attend the conference. Some felt the entire event—not just the Sunday business meeting—helps prepare the delegate. Others, including a past delegate, opposed the

motion, suggesting that past delegates should be engaging year-round to support the delegate role. Concerns were raised about the motion's ambiguity, with a call for clarification, though there was some general support for the idea of financial assistance. One GSR questioned the overall benefit of the area having representation at the event.

- **Vote:** 18 yes, 37 no. Motion fails.
- Comment from delegate: general sense of body seems to be supporting past delegates attending this function, but we were unable to get the motion changed to reflect that during the assembly today. Hoping that

- **Now and Then Motion (see appendix C)**

- Discussion: Several members expressed support for the motion, noting concerns about personal information being shared publicly. There was discussion around whether the issue lies in how information is submitted to or published in the newsletter. Some supported the idea of protecting anonymity, especially in sensitive areas like corrections, while others questioned allowing individuals to opt in to having their information published. It was noted that the newsletter used to be on a protected section of the website but is now publicly accessible, raising further privacy concerns. The delegate clarified that the motion only addresses the area registrar's roster and suggested simply not publishing it in the newsletter.
- **Motion to amend (seconded):** Area 74 now and then will not publish the area roster.
 - Discussion: The discussion reflected concern that the amended motion could allow personal information to be published. A GSR expressed opposition to the amendment for this reason.
 - **Vote:** 35 yes, 13 no. Motion passes by substantial unanimity.
 - **Minority opinion:**
 - GSR does not feel roster should be completely removed from the newsletter.
 - **Motion to reconsider (seconded):** 14 yes, 37 no. Motion fails.
- **Call to question:** 50 yes, 2 no. Motion passes with substantial unanimity.
- **Amended motion vote:** 45 yes, 12 no. Motion passes with substantial unanimity.
 - **Minority opinion:**
 - Newsletter editor shared that the motion creates more problems for them.
 - **Motion to reconsider (seconded):** 24 yes, 27 no. Motion fails.

- **Archives Committee Motion (see appendix C)**

- Discussion: The discussion centered on the proposal to establish a permanent location for archival materials. The Archives Chair and Archivist emphasized that the move would improve accessibility and reduce the burden of personal storage. While many GSRs shared that their groups supported the motion—seeing value in a centralized location—concerns were raised about future accessibility for archivists who may not live nearby. There were also questions about the display's public access, which will be a hybrid of storage and active display. Some concern was expressed about the site being a religious location, though not all districts saw this as an issue. The contract details are still pending but intended to be long-term. Overall, the move was seen by many as beneficial, despite some logistical and contextual concerns.
- **Vote:** 53 yes, 8 no. Motion passes with substantial unanimity.
 - **Minority opinion:**
 - GSR shared they are in favor of the idea but would like to see the actual contract.
 - There was no motion to reconsider.

New Business:

- District 13 withdrew their two motions.
- Hospitality room motion (see Appendix C):
 - **Vote:** 60 yes, 1 no. Motion passes with substantial unanimity.

Conference Updates/Bids:

- Appendix D
- Area 74 Conference Bid:
 - District 13 expressed interest in a bid for this conference.
 - District 2 also expressed interest in a bid for this conference.
 - Will table discussion until the October assembly to allow both districts time to put a full bid together for review by the body.

GSR/DCM Report Back to Delegate:

- Appendix E
- Discussion prior to report back:
 - A GSR expressed concern that there was only about three weeks for groups to review and discuss agenda items before needing to provide feedback.
 - Another GSR also questioned the recent format change at the delegate's workshop, where groups no longer vote on agenda items.
 - The delegate responded:
 - There are no set guidelines for how the delegate's workshop should be conducted.
 - The current format was developed based on input from others and the delegate's own experience.
 - The delegate believes simple yes/no votes limit the ability to consider broader perspectives and make informed decisions for the good of AA as a whole.
 - The delegate emphasized that it is up to the area to establish expectations for how group feedback should be gathered—any changes to the process should be proposed through a formal motion and discussion.
